Round 2 – Saving Lives on Country Roads and Liveable Safe Urban Communities projects 2019/20					
Hunter	Project-1146	Central Coast	1.2km road section of Pacific Highway, CHARMHAVEN	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Hunter	Project-1257	Central Coast	Intersection of Ocean Beach Road and Victoria Road, WOY WOY	Safety improvements to reduce the likelihood and severity of crashes including safety barrier.	Liveable and Safe Urban Communities
Hunter	Project-1264	Central Coast	2.5km road section of South Tacoma Road, SOUTH TACOMA	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening, safety barrier and delineation.	Liveable and Safe Urban Communities
Hunter	Project-1276	Central Coast	Intersection of Woy Woy Road and Culgoa Road, HORSFIELD BAY	Safety improvements to reduce the likelihood and severity of crashes including road surface improvements, shoulder widening, safety barrier, vehicle activated signage and delineation.	Liveable and Safe Urban Communities
Hunter	Project-1492	Central Coast	3.35km road section of Wyee Road, DOYALSON	Safety improvements to reduce the likelihood and severity of crashes including road surface improvements, safety barrier and delineation.	Liveable and Safe Urban Communities

RMS Region	Project ID	LGA	Location	Project description	Initiative
Hunter	Project-599	Central Coast	Intersections of Wilfred Barrett Drive and Oleander Street and Denison Street, NORAH HEAD	Safety improvements to reduce the likelihood and severity of crashes including upgrade to on road cyclist facilities.	Liveable and Safe Urban Communities
Hunter	Project-1044	Central Coast	Intersection of Manns Road and Showground Road, NARARA	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Hunter	Project-1053	Central Coast	2.2km road section of M1 Pacific Motorway, MOONEY MOONEY CREEK	Safety improvements to reduce the likelihood and severity of crashes including audio-tactile line marking, vehicle activated signage and delineation.	Liveable and Safe Urban Communities
Hunter	Project-1065	Central Coast	Intersection of Wallarah Road and Hay Street, GOROKAN	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Hunter	Project-1184	Central Coast	1km road section of Central Coast Highway, WEST GOSFORD	Safety improvements to reduce the likelihood and severity of crashes including safety barrier and speed reduction.	Liveable and Safe Urban Communities

RMS Region	Project ID	LGA	Location	Project description	Initiative
Hunter	Project-1229	Central Coast	Intersection of Central Coast Highway and Ernest Street, ERINA	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Hunter	Project-1274	Central Coast	2.9km road section of Wilfred Barrett Drive, MAGENTA	Safety improvements to reduce the likelihood and severity of crashes including safety barrier and audio-tactile line marking.	Liveable and Safe Urban Communities
Hunter	Project-1301	Central Coast	2km road section of M1 Pacific Motorway, MOUNT WHITE	Safety improvements to reduce the likelihood and severity of crashes including safety barrier and vehicle activated signage.	Liveable and Safe Urban Communities
Hunter	Project-1302	Central Coast	Intersection of Central Coast Hwy and Wyuna Avenue, THE ENTRANCE NORTH	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Hunter	Project-1329	Central Coast	3.75km road section of Wilfred Barrett Drive, MAGENTA	Safety improvements to reduce the likelihood and severity of crashes including median and roadside safety barrier.	Liveable and Safe Urban Communities
Hunter	Project-1417	Central Coast	Intersection of Terrigal Drive and Serpentine Road, ERINA	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities

RMS Region	Project ID	LGA	Location	Project description	Initiative
Hunter	Project-1089	Cessnock	14.3km road section of John Renshaw Drive, BLACK HILL	Safety improvements to reduce the likelihood and severity of crashes including safety barrier, audio-tactile line marking, shoulder widening and intersection upgrades.	Saving Lives on Country Roads
Hunter	Project-1063	Lake Macquarie	Intersection of Lake Road and Main Road, GLENDALE	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Hunter	Project-1162	Lake Macquarie	Intersection of Pacific Highway and Violet Town Road, BELMONT NORTH	Safety improvements to reduce the likelihood and severity of crashes including safety barrier.	Liveable and Safe Urban Communities
Hunter	Project-1195	Lake Macquarie	Intersection of Main Road and Lowry Street, CARDIFF	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Hunter	Project-1207	Lake Macquarie	Intersection of Pacific Highway and Lake Road, SWANSEA	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Hunter	Project-1378	Lake Macquarie	13km road section of Pacific Highway, NORDS WHARF	Safety improvements to reduce the likelihood and severity of crashes including safety barrier and audio-tactile line marking.	Liveable and Safe Urban Communities

RMS Region	Project ID	LGA	Location	Project description	Initiative
Hunter	Project-1080	Maitland	Intersection of New England Highway and South Street, RUTHERFORD	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads
Hunter	Project-1350	Maitland	8.1km road section of Raymond Terrace Road, MILLERS FOREST	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads
Hunter	Project-1161	Newcastle	Intersection of Thomas Street and Walford Street, WALLSEND	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Hunter	Project-1166	Newcastle	Intersection of Newcastle Link Road and Transfield Way and Transfield Avenue, WALLSEND	Safety improvements to reduce the likelihood and severity of crashes including vehicle activated signage and delineation.	Liveable and Safe Urban Communities
Hunter	Project-1474	Newcastle	Intersection of Morehead Street and Elder Street, LAMBTON	Intersection improvements to address critical pedestrian safety issues.	Liveable and Safe Urban Communities
Hunter	Project-498	Newcastle	7.4km road section of Pacific Highway and New England Highway, HEXHAM	Safety improvements to reduce the likelihood and severity of crashes including speed reduction.	Liveable and Safe Urban Communities

RMS Region	Project ID	LGA	Location	Project description	Initiative
Hunter	Project-1066	Newcastle	Intersection of New England Highway and Pacific Highway, HEXHAM	Safety improvements to reduce the likelihood and severity of crashes including vehicle activated signage and delineation.	Liveable and Safe Urban Communities
Hunter	Project-1074	Newcastle	Intersection of Branch Street and Hannell Street, WICKHAM	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Hunter	Project-1141	Newcastle	Intersection of City Road and Northcott Drive, KOTARA	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Hunter	Project-1144	Newcastle	Intersection of Bridges Road and St James Road, NEW LAMBTON	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Hunter	Project-1412	Port Stephens	10.1km road section of Pacific Highway, FERODALE	Safety improvements to reduce the likelihood and severity of crashes including vehicle activated signage.	Saving Lives on Country Roads
Hunter	Project-1149	Port Stephens	1.2km road section of Newline Rd, RAYMOND TERRACE	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening, audio-tactile line marking, road surface improvements and delineation.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
Hunter	Project-1153	Port Stephens	0.6km road section of Seaham Rd, NELSONS PLAINS	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening, clear zone improvements, safety barrier and delineation.	Saving Lives on Country Roads
Hunter	Project-484	Port Stephens	Intersection of Pacific Highway and The Bucketts Way, TWELVE MILE CREEK	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads
Hunter	Project-683	Singleton	0.3km road section of Golden Highway, JERRYS PLAINS	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening and safety barrier.	Saving Lives on Country Roads
Hunter	Project-1212	Singleton	71.1km road section of Putty Road, HOWES VALLEY	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening, motorcycle underrun and safety barrier	Saving Lives on Country Roads
Hunter	Project-1071	Upper Hunter	3.0km road section of Denman Road, DENMAN	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening, safety barrier, vehicle activated signage, audio-tactile line marking and delineation.	Saving Lives on Country Roads
Northern	Project-1461	Armidale Regional	1km road section of New England Highway, LLANGOTHLIN	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening, safety barrier and audio-tactile line marking.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
Northern	Project-822	Armidale Regional	0.5km road section of New England Highway, BEN LOMOND	Safety improvements to reduce the likelihood and severity of crashes including road surface improvements, vehicle activated signage, shoulder widening, safety barrier and delineation.	Saving Lives on Country Roads
Northern	Project-1658	Ballina	194km road section of Bruxner Highway, BALLINA	Development of safety improvements to reduce the likelihood and severity of crashes including safety barrier, delineation, audio-tactile line marking and shoulder widening.	Saving Lives on Country Roads
Northern	Project-278	Ballina	Intersection of Cherry Street and Fox Street, BALLINA	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads
Northern	Project-1536	Ballina	4.5km road section of Bruxner Highway, URALBA	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening.	Saving Lives on Country Roads
Northern	Project-1463	Ballina	Intersection of Bruxner Highway and Ballina Road, ALSTONVILLE	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads
Northern	Project-1659	Bellingen	167km road section of Waterfall Way, RALEIGH	Safety improvements to reduce the likelihood and severity of crashes including safety barrier, delineation, audio-tactile line marking and shoulder widening.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
Northern	Project-1124	Byron	Intersection of Main Arm Road and O, MAIN ARM	Safety improvements to reduce the likelihood and severity of crashes including road surface improvements, shoulder widening, safety barrier and delineation.	Saving Lives on Country Roads
Northern	Project-1231	Byron	16.5km road section of Coolamon Scenic Drive, COORABELL	Safety improvements to reduce the likelihood and severity of crashes including road surface improvements, shoulder widening, safety barrier, delineation and intersection upgrade.	Saving Lives on Country Roads
Northern	Project-1546	Byron	8.02km road section of Bangalow Road, BYRON BAY	Safety improvements to reduce the likelihood and severity of crashes including clearzone improvements, road surface improvements, shoulder widening, safety barrier and delineation.	Saving Lives on Country Roads
Northern	Project-807	Clarence Valley	1.3km road section of Pacific Highway, ULMARRA	Safety improvements to reduce the likelihood and severity of crashes including lighting upgrades.	Saving Lives on Country Roads
Northern	Project-1548	Clarence Valley	0.8km road section of Orara Way, BRAUNSTONE	Safety improvements to reduce the likelihood and severity of crashes including road surface improvements, shoulder widening and delineation.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
Northern	Project-1593	Clarence Valley	Intersection of Robinson Street and Cameron Street, YAMBA	Safety improvements for pedestrians to reduce the likelihood and severity of crashes including road surface improvements.	Saving Lives on Country Roads
Northern	Project-784	Clarence Valley	Intersection of Summerland Way and Powell/Hoof/Pullen/North Streets, GRAFTON	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads
Northern	Project-765	Coffs Harbour	Intersection of Pacific Highway and Englands Road, NORTH BOAMBEE VALLEY	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads
Northern	Project-879	Glen Innes Severn	0.3km road section of New England Highway, GLEN INNES	Safety improvements to reduce the likelihood and severity of crashes including traffic calming measures.	Saving Lives on Country Roads
Northern	Project-1554	Gunnedah	0.65km road section of Kamilaroi Highway, GUNNEDAH	Pedestrian safety improvements including traffic calming measures.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
Northern	Project-1657	Inverell	266km road section of Gwydir Highway, INVERELL	Development of route-based, mass action safety improvements.	Saving Lives on Country Roads
Northern	Project-1511	Kempsey	52.5km road section of Armidale Road, HICKEYS CREEK	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening, safety barrier with motorcycle treatment and delineation.	Saving Lives on Country Roads
Northern	Project-791	Kyogle	1.6km road section of Summerland Way, DAIRY FLAT	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening and delineation at curves.	Saving Lives on Country Roads
Northern	Project-806	Kyogle	3.2km road section of Bruxner Highway, MUMMULGUM	Safety improvements to reduce the likelihood and severity of crashes including barrier, shoulder widening and delineation at curves.	Saving Lives on Country Roads
Northern	Project-1528	Lismore	1.9km road section of Alphadale Road, LINDENDALE	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening and delineation at curves.	Saving Lives on Country Roads
Northern	Project-1539	Lismore	3.8km road section of Cowlong Road, MCLEANS RIDGES	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening and delineation at curves.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
Northern	Project-1540	Lismore	23.8km road section of Nimbin Road, NORTH LISMORE	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening and delineation at curves.	Saving Lives on Country Roads
Northern	Project-1542	Lismore	8km road section of Stony Chute Road, NIMBIN	Safety improvements to reduce the likelihood and severity of crashes including superelevation correction, shoulder widening and delineation at curves.	Saving Lives on Country Roads
Northern	Project-306	Lismore	0.9km road section of Blue Knob Road, BLUE KNOB	Safety improvements to reduce the likelihood and severity of crashes including superelevation and alignment correction, shoulder widening and delineation at curves.	Saving Lives on Country Roads
Northern	Project-1340	Lismore	6.1km road section of Tregagle Road, TREGEGGLE	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening and delineation at curves and intersection improvements.	Saving Lives on Country Roads
Northern	Project-1620	Lismore	Intersection of Keen Street and Gundurimba Community, EAST LISMORE	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads
Northern	Project-797	Lismore	Intersection of Bruxner Highway and James Road, GOONELLABAH	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
Northern	Project-768	Port Macquarie-Hastings	22.7km road section of Pacific Highway, HERONS CREEK	Safety improvements to reduce the likelihood and severity of crashes including safety barrier and delineation.	Saving Lives on Country Roads
Northern	Project-1443	Port Macquarie-Hastings	42.5km road section of Oxley Highway, MOUNT SEAVIEW	Safety improvements to reduce the likelihood and severity of crashes including safety barrier with motorcycle treatments and delineation.	Saving Lives on Country Roads
Northern	Project-1502	Port Macquarie-Hastings	10.3km road section of Pembroke Road, PEMBROOKE	Safety improvements to reduce the likelihood and severity of crashes including delineation at curves and vehicle activated signage.	Saving Lives on Country Roads
Northern	Project-1521	Port Macquarie-Hastings	0.3km road section of Rawdon Island Road, SANCROX	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening and delineation at curves.	Saving Lives on Country Roads
Northern	Project-805	Richmond Valley	2km road section of Bruxner Highway, PIORA	Safety improvements to reduce the likelihood and severity of crashes including safety barrier and shoulder widening at curves.	Saving Lives on Country Roads
Northern	Project-1537	Richmond Valley	8.8km road section of Bruxner Highway, CASINO	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
Northern	Project-787	Richmond Valley	3km road section of Summerland Way, LEEVILLE	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening and intersection improvements.	Saving Lives on Country Roads
Northern	Project-1235	Tamworth Regional	Intersection of Hillvue Road and Garden Street, HILLVUE	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads
Northern	Project-812	Tamworth Regional	1.2km road section of New England Highway, NEMINGHA	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening and intersection improvements.	Saving Lives on Country Roads
Northern	Project-820	Tenterfield	0.65km road section of New England Highway, DEEPWATER	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening and delineation at curves.	Saving Lives on Country Roads
Northern	Project-1538	Tweed	3km road section of Pacific Highway, CHINDERAH	Safety improvements to reduce the likelihood and severity of crashes including safety barrier.	Saving Lives on Country Roads
Northern	Project-1014	Tweed	1.1km road section of Smiths Creek Road, SMITHS CREEK	Safety improvements to reduce the likelihood and severity of crashes including safety barrier, superelevation and alignment correction, shoulder widening and delineation at curves.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
South West	Project-838	Griffith	1.2km road section of MR85 Kidman Way, HANWOOD	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening and clear zone.	Saving Lives on Country Roads
South West	Project-814	Hilltops	2.1km road section of MR78 Olympic Highway, BENDICK MURRELL	Safety improvements to reduce the likelihood and severity of crashes including safety barrier, superelevation and alignment correction, shoulder widening and delineation at curves.	Saving Lives on Country Roads
South West	Project-813	Junee	0.7km road section of MR78 Olympic Highway, ILLABO	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening, clear zone, delineation and vehicle activated signage.	Saving Lives on Country Roads
South West	Project-1649	Murray River	Intersection of Barmah Road and Cummeragunja Drive, CUMMERAGUNJA	Development and construction of pedestrian safety improvements.	Saving Lives on Country Roads
South West	Project-841	Snowy Valleys	65km road section of MR677 Alpine Way, KHANCOBAN	Safety improvements to reduce the likelihood and severity of crashes including safety barrier with motorcycle treatment, delineation and vehicle activated signage.	Saving Lives on Country Roads
South West	Project-1397	Snowy Valleys	Intersection of HW4 Snowy Mountains Highway and MR85 Batlow Road, TUMUT	Safety improvements to reduce the likelihood and severity of crashes including vehicle activated signage.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
South West	Project-1566	Snowy Valleys	Intersection of HW4 Snowy Mountains Highway and Gocup Road MR279, TUMUT	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads
South West	Project-818	Wagga Wagga	Intersection of HW14 Sturt Highway and Tumbarumba Road, ALFRED TOWN	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads
South West	Project-834	Yass Valley	0.5km road section of MR84 Burley Griffin Way, GOONDAH	Safety improvements to reduce the likelihood and severity of crashes including safety barrier and clear zone.	Saving Lives on Country Roads
South West	Project-830	Yass Valley	1.3km road section of HW2 Hume Highway, BOWNING	Safety improvements to reduce the likelihood and severity of crashes including safety barrier and shoulder widening at curves.	Saving Lives on Country Roads
South West	Project-833	Yass Valley	Intersection of HW2 Hume Highway and Conroy Street, BOOKHAM	Intersection improvements to address critical safety issues including vehicle activated signage.	Saving Lives on Country Roads
Southern	Project-1473	Bega Valley	Intersection of Bega Street and Wolumla Public School, WOLUMLA	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
Southern	Project-1112	Eurobodalla	1.9km road section of Kings Highway, CURROWAN	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening and delineation at curves.	Saving Lives on Country Roads
Southern	Project-1133	Eurobodalla	0.65km road section of Kings Highway, NELLIGEN	Safety improvements to reduce the likelihood and severity of crashes including safety barrier, shoulder widening and delineation at curves.	Saving Lives on Country Roads
Southern	Project-1145	Eurobodalla	0.35km road section of Kings Highway, BUCKENBOWRA	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening and delineation at curves and vehicle activated signage.	Saving Lives on Country Roads
Southern	Project-1009	Eurobodalla	4.35km road section of Dunns Creek Road, MALUA BAY	Safety improvements to reduce the likelihood and severity of crashes including safety barrier, shoulder widening, delineation and clear zone at curves.	Saving Lives on Country Roads
Southern	Project-1472	Eurobodalla	Intersection of Beach Road and Pacific Street and Hararde Street, BATEMANS BAY	Development of intersection safety improvements.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
Southern	Project-1527	Eurobodalla	Length of Beach Road from Bavarde Avenue through to Country Club Drive, BATEMANS BAY	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads
Southern	Project-1097	Goulburn Mulwaree	1.32km road section of Federal Highway, WOLLOGORANG	Safety improvements to reduce the likelihood and severity of crashes including delineation at curves and vehicle activated signage.	Saving Lives on Country Roads
Southern	Project-1057	Goulburn Mulwaree	18.4km road section of Mountain Ash Road, GOULBURN	Safety improvements to reduce the likelihood and severity of crashes including safety barrier, shoulder widening, delineation and clear zone at curves and vehicle activated signage.	Saving Lives on Country Roads
Southern	Project-396	Queanbeyan-Palerang Regional	Intersection of Uriarra Road and Ross Road and Stornaway Road, QUEANBEYAN	Intersection improvements to address critical safety issues.	Saving Lives on Country Roads
Southern	Project-1565	Queanbeyan-Palerang Regional	8.9km road section of Sutton Road, SUTTON	Safety improvements to reduce the likelihood and severity of crashes including safety barrier.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
Southern	Project-149	Shellharbour	Intersection of Princes Highway and Colden Drive, ALBION PARK RAIL	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Southern	Project-1148	Shellharbour	Intersection of Princes Highway and Tongarra Road and Ash Avenue, ALBION PARK RAIL	Development of intersection safety improvements.	Liveable and Safe Urban Communities
Southern	Project-886	Shoalhaven	0.5km road section of Queen Street, BERRY	Pedestrian safety improvements including traffic calming measures.	Saving Lives on Country Roads
Southern	Project-887	Shoalhaven	0.23km road section of O'Keefe Ave, NOWRA	Pedestrian safety improvements including traffic calming measures.	Saving Lives on Country Roads
Southern	Project-1078	Shoalhaven	0.62km road section of Bolong Road, COOLANGATTA	Safety improvements to reduce the likelihood and severity of crashes including safety barrier and shoulder widening at curves.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
Southern	Project-849	Shoalhaven	Intersection of Worrigee Street and Berry Street, NOWRA	Development of intersection safety improvements.	Saving Lives on Country Roads
Southern	Project-1132	Upper Lachlan	0.8km road section of Goulburn Road, CROOKWELL	Safety improvements to reduce the likelihood and severity of crashes including safety barrier, shoulder widening, delineation at curves and vehicle activated signage.	Saving Lives on Country Roads
Southern	Project-1553	Upper Lachlan	70km road section of Crookwell Road, CROOKWELL, ABERCROMBIE	Safety improvements to reduce the likelihood and severity of crashes including safety barrier, shoulder widening, delineation at curves.	Saving Lives on Country Roads
Southern	Project-1211	Upper Lachlan	1.7km road section of Boorowa Road, NARRAWA	Safety improvements to reduce the likelihood and severity of crashes including safety barrier and delineation at curves.	Saving Lives on Country Roads
Southern	Project-1081	Wingecarribee	0.35km road section of Hume Highway, BERRIMA	Safety improvements to reduce the likelihood and severity of crashes including delineation at curves and vehicle activated signage.	Saving Lives on Country Roads

RMS Region	Project ID	LGA	Location	Project description	Initiative
Southern	Project-981	Wollondilly	Intersection of Remembrance Driveway and Finns Road, CAWDOR	Safety improvements to reduce the likelihood and severity of crashes including intersection improvements, safety barrier, shoulder widening, delineation at curves and vehicle activated signage.	Saving Lives on Country Roads
Southern	Project-988	Wollondilly	1km road section of Burratorang Road, THE OAKS	Safety improvements to reduce the likelihood and severity of crashes including intersection improvements, safety barrier, shoulder widening, delineation.	Saving Lives on Country Roads
Southern	Project-1156	Wollondilly	0.2km road section of Tylers Road, BARGO	Safety improvements to reduce the likelihood and severity of crashes including pedestrian and intersection treatments.	Saving Lives on Country Roads
Southern	Project-1142	Wollongong	Intersection of Princes Highway and Lysaght Street, WOLLONGONG	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Southern	Project-1125	Wollongong	Intersection of Corrimal Street and Campbell Street, WOLLONGONG	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities

RMS Region	Project ID	LGA	Location	Project description	Initiative
Southern	Project-1086	Wollongong	0.1km road section of Bulli Pass, BULLI	Safety improvements to reduce the likelihood and severity of crashes including shoulder widening, delineation and clear zone.	Liveable and Safe Urban Communities
Southern	Project-1173	Wollongong	0.07km road section of Windang Road, WINDANG	Pedestrian and cyclist safety improvements including fencing.	Liveable and Safe Urban Communities
Southern	Project-1186	Wollongong	0.7km road section of King Street, WARRAWONG	Development of access safety improvements.	Liveable and Safe Urban Communities
Sydney	Project-647	Bayside	Intersection of Sutherland Street and King Street, MASCOT	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Sydney	Project-1085	Bayside	Intersection of Bay Street and Daniel Street, BOTANY	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
Sydney	Project-1093	Blacktown	Intersection of Oxford Street and Castlereagh Street, RIVERSTONE	Intersection improvements to address critical safety issues.	Liveable and Safe Urban Communities
